## From the Principal

### School overview

Our vision Inspiring minds. Creating opportunities. Shaping Queensland's future. Our school is committed to providing all students with the required curriculum through the implementation of the national curriculum with reference to Curriculum to the Classroom (C2C). In delivering our curriculum we will assess, monitor and capture student achievement while encompassing high expectations for each student and responding effectively to their current levels of achievement and differing rates of learning. We prepare students to exit our school with the foundation for successful lifelong learning and participation in the next phase of their schooling journey. We keep parents and students informed of their child's achievement throughout their schooling. School overview Our school has been offering a quality education experience to the students of Scarborough and surrounds from 1925. Scarborough State Primary School, 'Pride of The Peninsula', has high expectations for all of its staff and students. We are a large metropolitan primary school with an excellent reputation and we offer educational programs and opportunities for boys and girls from the Preparatory Year to Year 6. Our school's purpose is to work in partnership with students, parents and the wider community to ensure that all our students receive a quality education appropriate to their individual needs within a safe and supportive learning environment. Our practices are aligned to our vision and purpose. Our staff are committed to achieving excellence in teaching practice and actively reflect on their work to ensure our students achieve the best possible learning outcomes. They strive to achieve a safe, supportive and effective learning environment through the building of positive relationships with all students, parents, colleagues and the community and through encouraging all students to become self-directed, lifelong learners. The school plays an important role in the community by providing a range of quality facilities for student and community use. These facilities include a hall, multi purpose courts, adventure playgrounds, swimming pool, large ovals, an air conditioned Resource Centre, air conditioned Computer Laboratories, Music Centre and a Student Support Centre. Some unique features of the school include a wide variety of curriculum programs and extra-curricula opportunities. Curriculum offerings include the eight key learning areas of Mathematics, English, Science, Technology, Health and Physical Education, the Arts, Languages (Japanese), and HASS. Additional educational opportunities include Instrumental Music in Strings, Woodwind, Brass and Percussion instruments, and the School Choir. Students have extensive leadership opportunities through the Student Council, Peer Mediators Programme, Sports Houses and Cultural and Service programmes. Students in Years 5 and 6 participate in our Friday Options Programme. The range and variety of these opportunities allows our students to develop and fulfil our motto 'Cresco - I Grow'.

## Characteristics of the student body

### Student enrolments

Table 1: Student enrolments at this school

Enrolment category	2017	2018	2019
Total	773	751	722
Girls	371	376	361
Boys	402	375	361
Indigenous	54	61	61
Enrolment continuity (Feb. – Nov.)	90%	91%	94%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2019, there were no students enrolled in a pre-Prep program.

### Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2017	2018	2019
Prep – Year 3	22	23	23
Year 4 – Year 6	27	26	27
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

## Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

### Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

### How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

## Social climate

### Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

## Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

## Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

## School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	62	43	51
Long suspensions – 11 to 20 days	2	1	1
Exclusions	0	0	1
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

## Environmental footprint

### Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	239,330	250,566	259,636
Water (kL)	1,717	7,247	632

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool\* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

\*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.
